100% Tuition Back Guarantee

Go ahead and sign up! We are confident that we provide top quality programs for your children, but we also know we can't offer exactly what every child needs at every stage of development. This is why we are happy to offer the following guarantee: If for any reason during your child's first 3 weeks of classes they or you decide not to continue you are welcome to a full refund.

Discounts!

ONLY the most expensive tuition in your family pays full fare. All other tuitions in the same term are discounted 10%.

When Can I Enroll?

Anytime!!! Don't worry if the session has already begun, as long as there is room in a class, you can register at any time during the session and we will prorate the charges accordingly.

No News is Good News!

Expect a phone call from us only if there is difficulty placing you into your first class choice.

Family Membership

\$45 Family Membership Fee - This annual fee defrays office/administrative, insurance and other non-teaching costs. Note that this fee covers your entire immediate family. This fee is paid upon initial registration and each 12 months thereafter.

Payment Options

Payments are due at the time of registration to hold a spot. Registration is available onsite, online, by phone, or by mail. We accept cash, checks, debit cards, Visa, Master Card, American Express, and Discover. We also offer two payment options for additional financial flexibility. Payment is either due in full prior to the start of class or you may elect to pay half of the tuition prior to the first class and half 3 weeks later. If the 2 payment option is selected we must have a credit card on file or simply write two checks (the first dated the day of registration and the second dated one month later). If the installment plan is selected it in no way signifies that participation will only take place in the first portion of the term.

Make-ups

Technically – just like a university – tuition pays for an education regardless of attendance. However, when we can safely and feasibly do so, we do our best to offer make-ups! **Make-ups do not carry over term to term.** The only exception is in the event of an absence the last week of the term a makeup during the next term may be permitted upon request.

2 make-ups per term

First and foremost we would like to let you know that we never want to cancel classes. Since we can't control Mother Nature there are some times when we are unfortunately forced to do so.

Make-ups can be scheduled for any class cancelled due to weather! Closures resulting from weather will also never be counted against your regular make-up limits. However even make-ups that are the result of inclement weather must be made up during the same term. The only exception is if there is a closure due to inclement weather in one of the last two weeks of a term a make-up can be scheduled for the following term upon request. Our voice mail will always be updated when we are closed. Call us at 203-426-1300.
